ELARABI CHAKIR

Full Stack Developer

Junior full stack developer who enjoys working with Laravel, Next.js, and Tailwind CSS. Comfortable with a wide range of technologies and quick to learn new ones. Experienced in both front-end and back-end development through full stack projects. Motivated to grow and contribute to real-world projects.

Professional Experience

Full Stack Developer (Freelance)

Since December 2023 **Freelance** Marrakech

- Developed and deployed full stack and frontend websites using Laravel, Next.js, and Tailwind CSS.
- Improved SEO and UX on client projects, including booking systems and responsive landing pages.
- Collaborated closely with clients to refine features, ensure business needs were met, and deliver production-ready solutions.

Web Developer (Internship)

From October 2024 to November 2024 **Oriental Group** Marrakech

- Managed WordPress websites, performed SEO audits, and optimized performance.
- Supervised dev and marketing teams, and handled technical issues including VPS setups.

Full Stack Developer (Internship)

From July 2024 to August 2024 **Integral Progress Technologie** Marrakech

- Built HR recruitment module with Laravel REST APIs and React/TypeScript frontend.
- Collaborated in a team using Git and Postman for testing and version control.

Full Stack Developer (Internship)

From March 2023 to April 2023 **Makraz SARL** Marrakech

- Contributed to an invoice management app using Symfony and Tailwind CSS.
- Worked remotely using Git and Trello (Kanban) for task and version management.
